

LBYD is excited to announce the opening of our new office in Huntsville, Alabama. LBYD has provided quality engineering services for the past 35 years and we are looking forward to continuing that legacy in the Huntsville community. Our Huntsville office will offer both civil and structural engineering services. Serving the Huntsville area will be Ashley Carden, Branch Manager and Senior Project Manager for Structural Engineering, and Tim Roberts, Project Manager for Civil Engineering. Mr. Carden has 12 years experience with the firm, and Mr. Roberts has 10 years experience, six of those with LBYD.
